OFFICE OF PETITIONS

Dear Sir:

The Petitioner, Clean Fuel Technology, Inc., doing business at 210 Gentry Way in  
Reno, Nevada, represents that it is Assignee of the entire interest in the above-identified

patent application, (recorded at Reel 011027, Frame 0939). Clean Fuel Technology, Inc. hereby disclaims the terminal part of any patent granted on the above-identified application, which would extend beyond the lawful expiration dates of United States Patent Application No. 09/109,028 as presently shortened by any terminal disclaimer. Clean Fuel Technology, Inc. hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patents shall be the same as the legal title to United States Patent Application No. 09/109,028. This agreement is to run as provided by law with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

CERTIFICATE UNDER 37 CFR § 3.73(b)

Clean Fuel Technologies, Inc. certifies that it is the assignee of the entire right, title and interest in the patent application identified above by assignments from the inventors of the patent application identified above. The assignments were recorded in the Patent and Trademark Office recorded at Reel 011027, Frame 0939, or for which a copy thereof is attached.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under section 1001,

CFT-00

Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
